Graphic Design & Illustration

GRAPHIC DESIGN AND ILLUSTRATION

Information

-The Region 10 THS, Graphic Design and Illustration program is intended to be a **two year program**

-Students will learn the fundamentals of graphic design and illustration using Adobe Systems software; **Photoshop, Illustrator and InDesign**

-The ability to draw is not required however all applicants **must enjoy drawing** regardless of their ability and be willing to develop drawing skills

-For best results, students must be willing to **follow instruction** and be able to **work independently**

Opportunities

-Earn college credits for successful completion of Southern Maine Community College curriculum requirements while attending Region 10 at no cost to students

-Gain leadership and professional skills through SkillsUSA Maine

-Scholarship opportunities for seniors

-Adobe Certified Associate certification upon successful completion of the Adobe exam
